J40 Insulated Sectional Garage Doors

Insulated Sectional Doors

Insulated sectional garage doors provide exceptional performance when its comes to insulation, draught reduction and security.

The doors open vertically, running on tracks suspended in the garage roof space and with no 'kick out' as per up and over doors, you can park right up to the outside of the door on your.

Somfy automation gives you the luxury and convenience of remote control as standard.

As the doors are made from insulated steel profiles, they provide a thermal and acoustic barrier, helping to control your energy bills, reduce noise and possibly your carbon footprint.

Safety

Fully compliant and certified with all safety regulations our doors feature the Somfy Dexxo Pro motor unit with built in obstacle protection. The motor unit can also be upgraded with photocell protection to halt the door before the door comes into contact with an obstacle for extra peace of mind.

Powder Coat Finish - Low Maintenance

A choice of three inclusive colours White RAL 9016, Anthracite RAL 7016 and Brown RAL 8014. For a small surcharge for we have a selection of Twenty Three standard stunning colours to choose from including popular Rosewood and Golden Oak to compliment UPVC windows and doors. Should these colours prove to be not quite what your looking for then we can also powder coat to any RAL colour or B.S. reference such as Chartwell Green (P.O.A.)

RAL 3004	RAL 9006	RAL 7040	RAL 9001	RAL 3000	RAL 5014
RAL 7016	RAL 7024	RAL 7035	RAL 3003	RAL 9005	Rosewood
RAL 6009	RAL 8028	RAL 1015	RAL 5011	RAL 7039	Golden Oak
RAL 6005	RAL 9007	RAL 7030	RAL 5010	RAL 8011	Dark Oak

Security

40mm panels are manufactured from double skin steel sandwich with a environmentally friendly foamed polyurethane foam core. These panels are then held captive in steel side guides. This produces a strong non-flexing door that easily deters would be intruders.
